

## **Robert Mammano Frezza Memorial Scholarship**

### **NOMINATION AND APPLICATION PROCEEDS**

Each year toward the end of the fall semester the Lawrenceville Faculty nominates candidates to be reviewed by a select nominating committee. The nominating committee then invites five to seven promising scholars to apply for the award. Their applications, along with transcripts, faculty recommendations, and an interview, are reviewed by the RMF Scholarship selection committee, with a winner being announced on or around March 1<sup>st</sup>.

One scholarship will be available for award annually, but that scholarship is not guaranteed to be awarded each year. The recipient's merit will be based upon the criteria established and as judged by the selection committee, whose decision is final. The award is for \$6,000 per year, for a total of \$24,000, paid directly to the matriculating university each semester or trimester depending on that school's academic calendar.

If you would like to be considered for the award, please ask a faculty member to place your name into nomination by contacting Regan Kerney, Master of Economics, at the Lawrenceville School ([rkerney@lawrenceville.org](mailto:rkerney@lawrenceville.org), 609-620-6870.)
